

Good afternoon Habitat Family!

As we all struggle to navigate through these rapidly changing times it is essential that we take care of each other, our families, neighbors, friends and colleagues therefore we have made the decision to close our ReStore effective immediately. Please use this "nesting time" to embrace your family and to slow down and find peace amongst all the chaos.

We will keep you updated as more information becomes available from our county, state and national officials.

Blessings,
Suzan
